in Lyo. 425-6 — Medl. 53-07-3 dt 14 July 08 that Mr Sreenivasiengar should not be retained in independent charge of a Dt but should be posted to a subordinate charge. The order has not been given effect to for nearly two years now & the reason given for the omission is not very satisfactory. In any case it seems to be a matter of doubtful expediency to carry out that order now.

2d The Sr Sn may be told that having regard to all circs Govt do not wish the order of 14-7-08 to be carried into effect now & that the transfers ordered in Serial No. 27 may be given effect to without delay.

26 With reference to Mr Hanuman Singh's application to be kept in Kolar, it may be observed that Chitaldrug is a dry district & quite a healthy one. If Mr Hanuman Singh's health requires a sedentary ~~charge~~ work it is doubtful if a District Medical Charge is the place best fitted for him. He can hardly do justice to the work in Kolar, it is to be feared.

36. Submitted to His Highness

I submit for orders the accompanying papers regarding transfers of District Medical and Sanitary Officers.

2. The Senior Surgeon, in his letter No.G.485 dated 9th April 1910 recommended the transfer of Mr. Muthuswamy Doss from Chikmagalur to Chitaldurg and Mr. W. Srinivasiengar from Chitaldurg to Chikmagalur. After careful consideration of the matter and with the concurrence of the First Councillor, Notification No.9983 dated 4th May 1910 was issued ordering an exchange between Mr. W. Srinivasiengar and Mr. Hanuman Singh, now in Kolar, and between Mr. Muthuswamy Doss and Mr. G.S. David now in Bangalore. These transfers do not appear to have been given effect to; but the Senior Surgeon has now, with reference to Government Order No.425-6/Med.53-07-3 dated 14th July 1908, in which it was stated that the Government did not consider it expedient to entrust Mr. Srinivasiengar with the independent medical charge of a District, submitted certain alternative proposals for giving effect to this order. He has also sent up a letter from Mr.

Hanuman Singh, requesting that he may be kept on at Kolar; and in forwarding this the Senior Surgeon says "I have no doubt at all but that a transfer to Chitaldurg will kill him".

3. The order of July 1908 regarding Mr. Srinivasiengar was passed on the strength of the unfavourable opinion of his work expressed by Dr. Armugam Mudaliar and Col. Smyth. But in view of the experience of the past two years and what I was able to gather regarding Mr. Srinivasiengar's work when I visited Chitaldurg recently, there is no necessity to give effect to that order now. It will only be fair to give him a chance in a new District (Kolar) with a new Deputy Commissioner, the more especially as he has had his spell of Malnad service. And as regards Mr. Hanuman Singh, who is supposed to be suffering from rheumatism, a transfer to the dry climate of Chitaldurg will not do him any harm, but should improve him. And the Deputy Commissioner of Kolar who was consulted in the matter would advise a change of his District Medical Officer and has no objection to take Mr. Srinivasiengar. The Senior Surgeon says the transfer "would kill" Mr. Hanuman Singh. This is strong language; and if it is literally correct, it

Ined F 240 84-09

only means that Mr. Hanuman Singh is disqualified for the public service.

4. These aspects of the matter were carefully considered when the orders of transfer dated 4th May 1910 were passed. I submit the matter for His Highness' orders.

My dear Sir,

In returning the accompanying File I am directed to say that His Highness has decided to over-rule Col.Smyth's objections to the transfer of Hanuman Singh to Chitaldrug. Hanuman Singh must at least make a trial of the Chitaldrug climate, which is, as you say, reported to be both dry and healthy. If he does not kepp well there it will be open to him to represent the matter again and I am to suggest that he may be told this. His Highness approves of the proposals made by you in the file and agrees that Sreenivasiengar should not now be judged for what happened two years ago.

The subject of the transfer of Mr. Hanuman Sing from Kolar to Chitaldrug and of Mr. W.Srinivasa Iyengar from Chitaldrug to Kolar has received His Highness' consideration and orders just received on another file.

2. The present representation No.579 dated 4th June 1910 of the Senior Surgeon, has to be considered in regard to the mutual transfers of Mr. Muthusami Doss from Chickmagalur to Bangalore, and of Mr. David from Bangalore to Chickmagalur. In the previous file it will have been noticed that Mr. Muthusami Doss has had 9 years of Malnad in the course of his 14 years service, and that his present transfer from Kadur District to a healthier place has been considered by the Senior Surgeon and the First Councillor as imperative. Mr. David has had no Malnad service, except for 6 months in 1897, when he was a First Class Hospital Assistant at Mudigere.

3. Mr. David's ailment brought to notice in the Senior Surgeon's present letter is understood to be "diabetes and albuminuria".

Sir,

With reference to effecting of an exchange between Mr. W.Sreenivasa Iyengar and Mr. V.Muthusawmy Doss recommended in my No.G. 485 dated 9th April 1910, I have the honor to say that I have overlooked Government Order No.425-6/Med.53-07-3 dated 14th July 1908 regarding Mr.W. Sreenivasa Iyengar- but quite unintentionally- At the time the Government Order was passed I really had no one to relieve him of his duties as a District Surgeon and subsequently the question of the Government Order altogether escaped me. However this difficulty is not so pressing now, accordingly in supersession of the recommendation referred to I submit alternative proposals to His Highness Government - which leaves Mr. Muthusawmy Doss' relief aside for the present.

i. Place him in charge at Nanjangude which is an unimportant subordinate position, make Mr.S. K.Hanumantha Rao District Medical Officer Chitaldrug, and let Mr. Krishnamurti Rao now at Nanjangude, d.d. at Shimoga District Hospital.

ii. Simply exchange between Messrs Sreenivasa Iyengar (Chitaldrug) and Hanumantha Rao (d.d. Shimoga District Hospital.)

iii. Exchange between Messrs Sreenivasa Iyengar (Chitaldrug) and.B.D. Raghavendra Rao (Surgeon Head Quarters Establishment.)

— . —

Adverting to the Govt orders No. 9983-Med: 84-09-27 dated 4-5-10 published in the Mysore Gazette dated 5-5-10, transferring me to Chitaldrug District, I beg to submit that I have not the slightest diffidence to go against the orders, but under the present circumstances, I beg to bring the following to your kind Consideration:-

I came to this district for the benefit of my health, which has improved Considerably during my stay of nearly three years here. During this period I have had enough opportunities in fairly acquainting myself with both the Medl and Sanitary Conditions of this Country.

A change at this time; especially when I have only 2 years to complete my service for a pension

and

and my advancing age is also perceptibly telling upon my general health — to a district of which I know nothing, will, I beg to submit, not only be injurious to my health, but also be a source for unsatisfactory public work, as I have to spend a good deal of time touring through the district before I can shew efficient work.

Under these circumstances, I respectfully beg to request you to be pleased not to disturb me from this place till I retire very shortly.

With reference to Government Order No. 9983/2nd 84-09-27 dated 4-5-10 ordering an exchange between Messrs C.G.Hanuman Singh and W. Sreenivasa Iyengar on the one hand, and Messrs G.S. David & V.Muthusawmy Doss on the other, I have the honor respectfully to represent that I do not consider the proposed changes to be in the interest of the public service.

2. I also do not consider that Mr. C.G. Hanuman Singh should be shifted from his present District. He is a delicate man, having gone through much sickness & suffering in Mysore - troubles on account of which, he was most reluctantly compelled to tender his resignation as Medical Officer to the Palace. I selected Kolar as a climate that might suit him, and am glad to say my selection proved to be the right one, and he has had fair health since joining there. But I know no other District that would suit his Rheumatic & Pleuretic tendencies so well, and I therefore beg to enter my protest against his being transferred.

3. Then, as to the transfer of Mr. G.S. David to the malnad, it is well known what his weaknesses are - due to no fault of his, and that if he is transferred to the malnad, he will do very little work from motives of sheer self preservation. Now that
will not be good for the malnad where active and healthy men are needed, and every effort is necessary to try and stem the steady progress of depopulation that is going on there at the present time - a state of affairs that is now under the orders of Government, 'forming the subject of a special investigation in the Department of Public Health.

4. I am aware that it is not a usual procedure for a Departmental head to ~~recommend~~ consider transfers on the ground of health. But I consider the present circumstances quite exceptional, especially in the case of Mr. C.G. Hanuman Singh. These 13 years I have watched his work, and a grittier, more absolutely trustworthy assistant it has hardly ever been my lot to work with, and I would regard it as little short of a disaster if, after a long struggle with death, and after finding a place at last for him where he can live, he were transferred with hurtful or fatal consequences. If His Highness' Government are not pleased to take my view of the matter, then I beg that the papers be placed before His Highness the Maharaja for his decision.

Sir,

With reference to Government Order No.123 Med. 84-09, dated, Camp Mysore, 15th June 1910 I have the honor to say that far from Mr. Srinivasa Iyengar having profitted by experience he is less fitted now for a District Surgeon's post than he was when His Highness' Government ordered his relief and posting to subordinate charge in 1908. That that order was not given effect to was really no fault of mine- I had no one to relieve him. The same order affected Mr. C.Rajaram Rao and I have only been able to carry it into effect 6 months back. But it seems hardly fair to Mr. C. Rajaram Rao that the man coupled with him for incapacity should be treated differently from him.

2. But in regard to the transfer of Mr. W.Srinivasa Iyengar I have taken the liberty to detain him a while longer in Chitaldrug to collect certain statistics long due from him, and which he only commenced to collect on threat of a report on his laziness being made to His Highness Government. He is also engaged in an unsettled
